WASHINGTON, D.C. 20202-______

SUMMARY: The Federal School Code List of Participating Institutions for the 2000-2001 Award Year.

Dear Partner:

Enclosed is the 2000-2001 Federal School Code List containing the unique codes assigned by the Department of Education to all institutions participating electronically in the Title IV student aid programs. The list is organized by state and alphabetically by institution within each state.

These codes will be used by students applying for financial aid using the 2000-2001 Free Application for Federal Student Aid (FAFSA), 2000-2001 Renewal FAFSA, 2000-2001 FAFSA Express, 2000-2001 FAFSA on the Web, or 2000-2001 Renewal FAFSA on the Web application. The FAFSA instructs students to enter the name and Federal School Code for the schools that should receive your information. Students can check with their college financial aid office, their high school guidance counselor, or the public library to look up the Federal School Code.

Use of the Federal School Code will significantly improve the student's ability to communicate college identifications accurately, will avoid errors caused by confusion over similar college names, and speed application processing time.

Please make this list available to students. If you would like an additional copy of the Federal School Code List please call 1-800-433-3243 or you can do an on-line search from the Department of Education's Web Page at:

http://www.ed.gov

If you have any questions about the list, please contact the Application Processing Division at (202) 260-9988.

Sincerely,

Jeanne Van Vlandren

USING THE FEDERAL SCHOOL CODE LIST

The Federal School Code List that follows is intended as a resource for anyone who is completing a 2000-2001 Free Application for Federal Student Aid (FAFSA), 2000-2001 Renewal FAFSA, 2000-2001 FAFSA Express, 2000-2001 FAFSA on the Web, or 2000-2001 Renewal FAFSA on the Web application. When answering 2000-2001 FAFSA college name and address questions, applicants should use the official Federal School Code and name found in this list to ensure fast and accurate processing. You can also access the Federal School Code List on the Department of Education's Web Page at:

http://www.ed.gov

You can use the 2000-2001 FAFSA Express software to apply for financial aid and the FAFSA Express software can be downloaded from the same address. The FAFSA Express software contains the Federal School Code List and you can use it to do a search for a particular school and its code.

All postsecondary schools that are currently eligible for Title IV aid and signed up to participate electronically are listed in the Federal School Code List, with each school's official Federal School Code, name, and address. The schools are listed first by state and then alphabetically by name within each state. Procedures for completing the FAFSA college name and address question are listed below.

For each school that applicants wish to list in question 88, 90, 92, 94, 96, and 98 of the 2000-2001 FAFSA, do the following:

1. Find the correct state of the desired school, using the appropriate state name.
2. Find the **exact** name and address of the desired school within the state listing. **Names of schools may be similar. Please be certain you have found the exact school name and address before proceeding.**
3. On the FAFSA, write the name of the school under "Name of college." The name must exactly match the one you have found in the Federal School Code List.
4. Write the six-character Federal School Code in the spaces provided under the "Federal School Code." **You do not have to include the address.**
5. Indicate housing plans for each school according to the directions on the FAFSA.
6. Repeat procedures 1 – 5 for each desired college, up to a maximum of six.

Please note that if the Federal School Code or name for a desired school is listed incorrectly on your FAFSA, *processing may be delayed.*

Please note: The Federal School Code List is published once a year, with schools that are participating at the time of printing.
